Did you ever have that feeling  
in your life,  
that someone was watching *you*.

*Mark Farner*

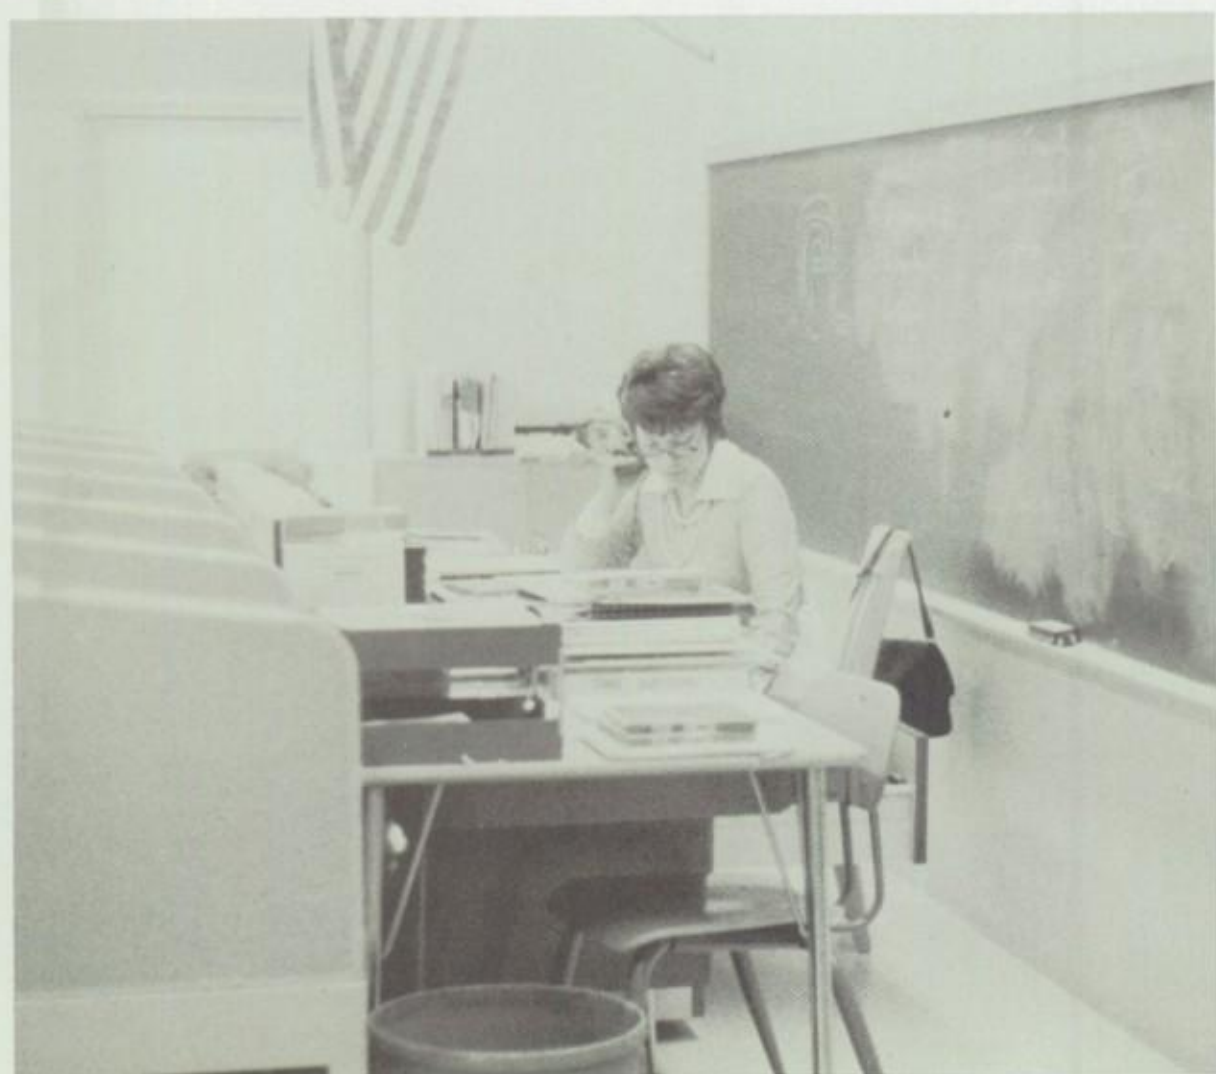

You who are on the road  
Must have a code that you can live by  
And so become yourself  
Because the past is just a good-bye  
Teach your children well

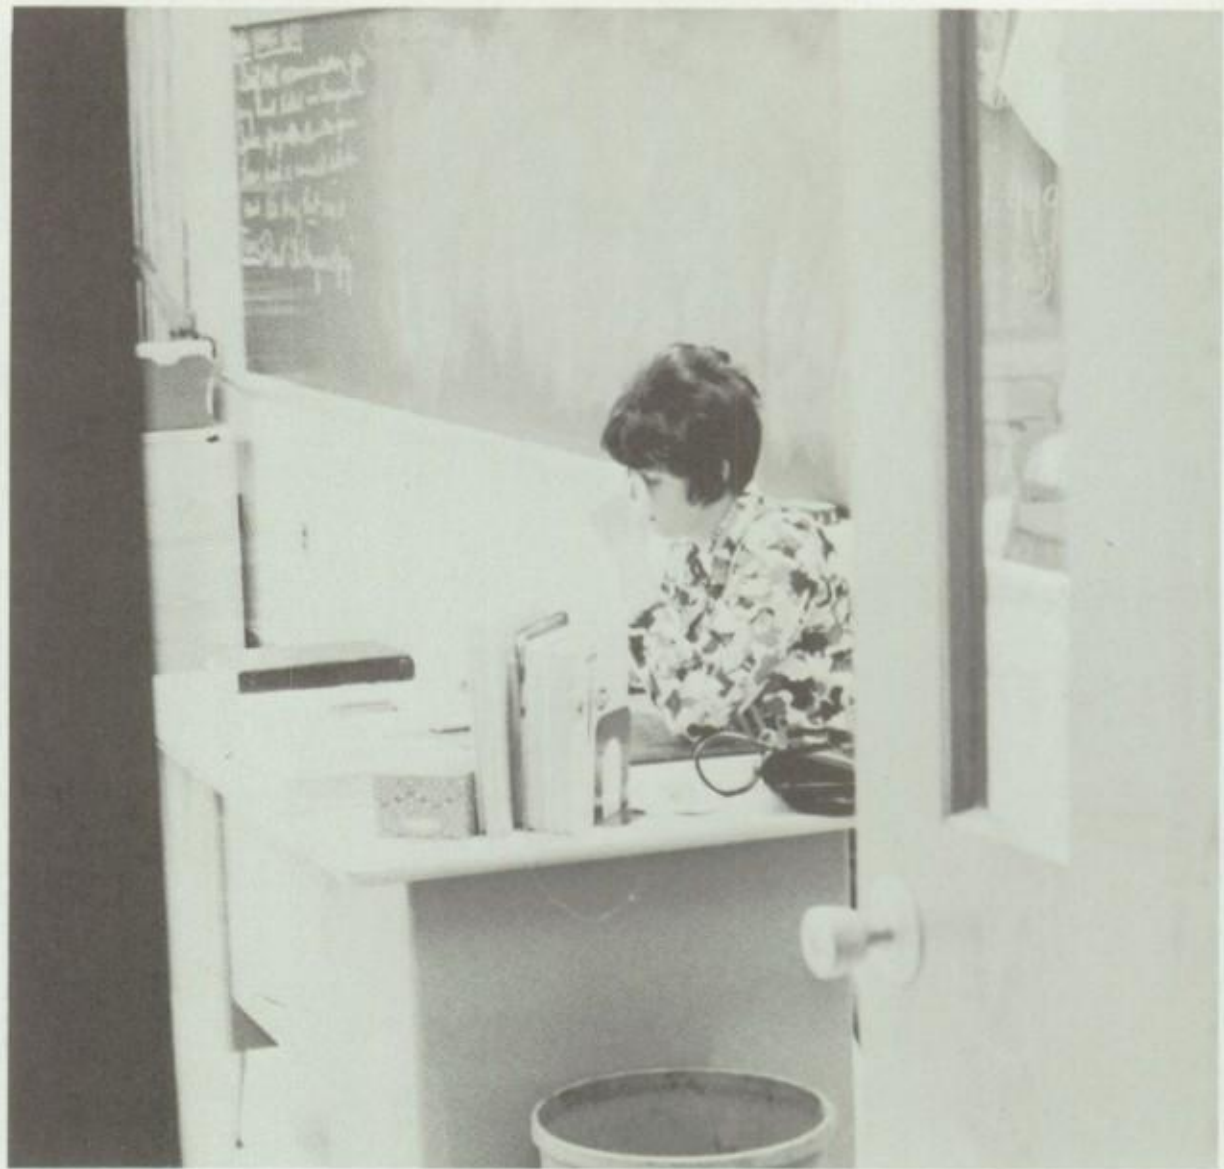

*Graham Nash*

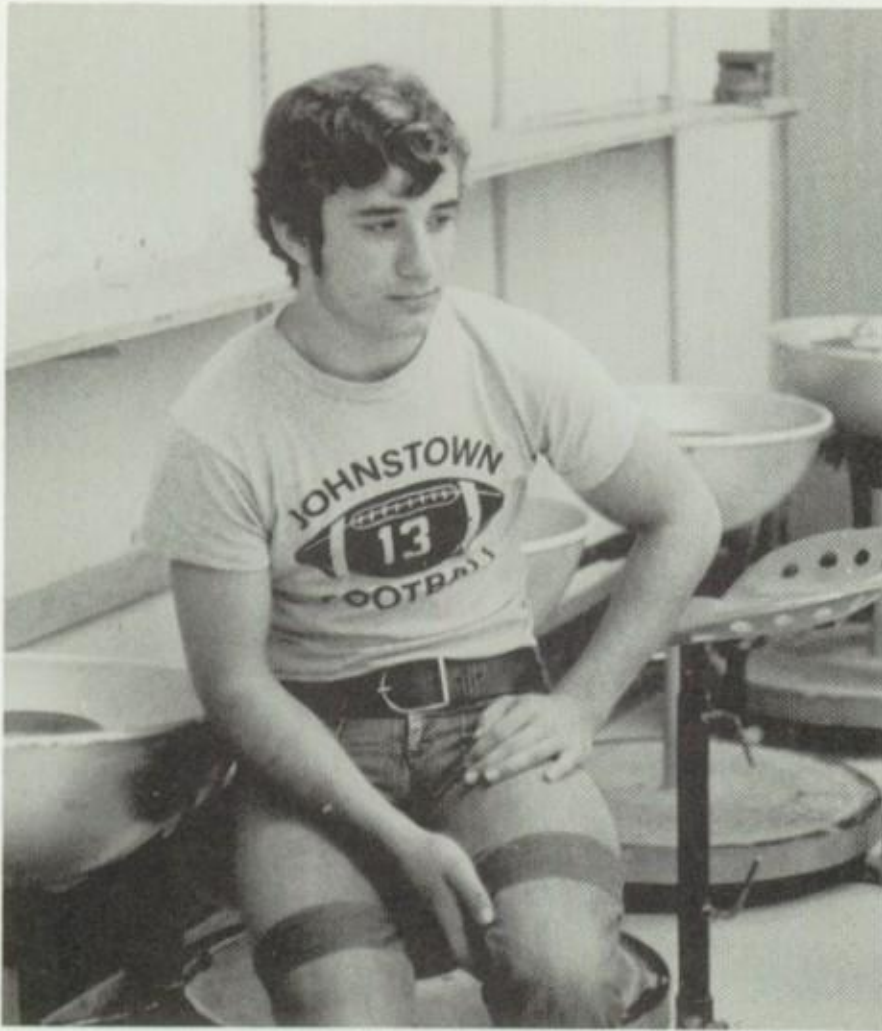

It's getting to the point  
Where I'm no fun any more  
I am sorry  
Sometimes it hurts so badly  
I must cry out loud  
I am lonely

*Stephen Stills*

Cloudy

My thoughts  
are scattered  
and they're  
Cloudy

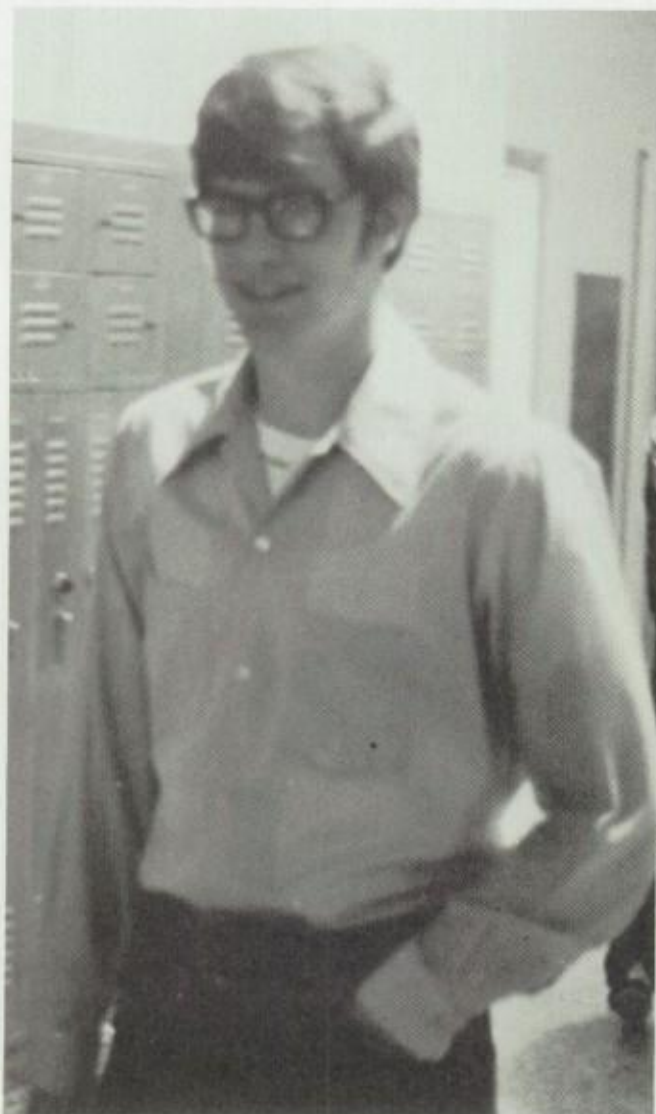

They have

No borders

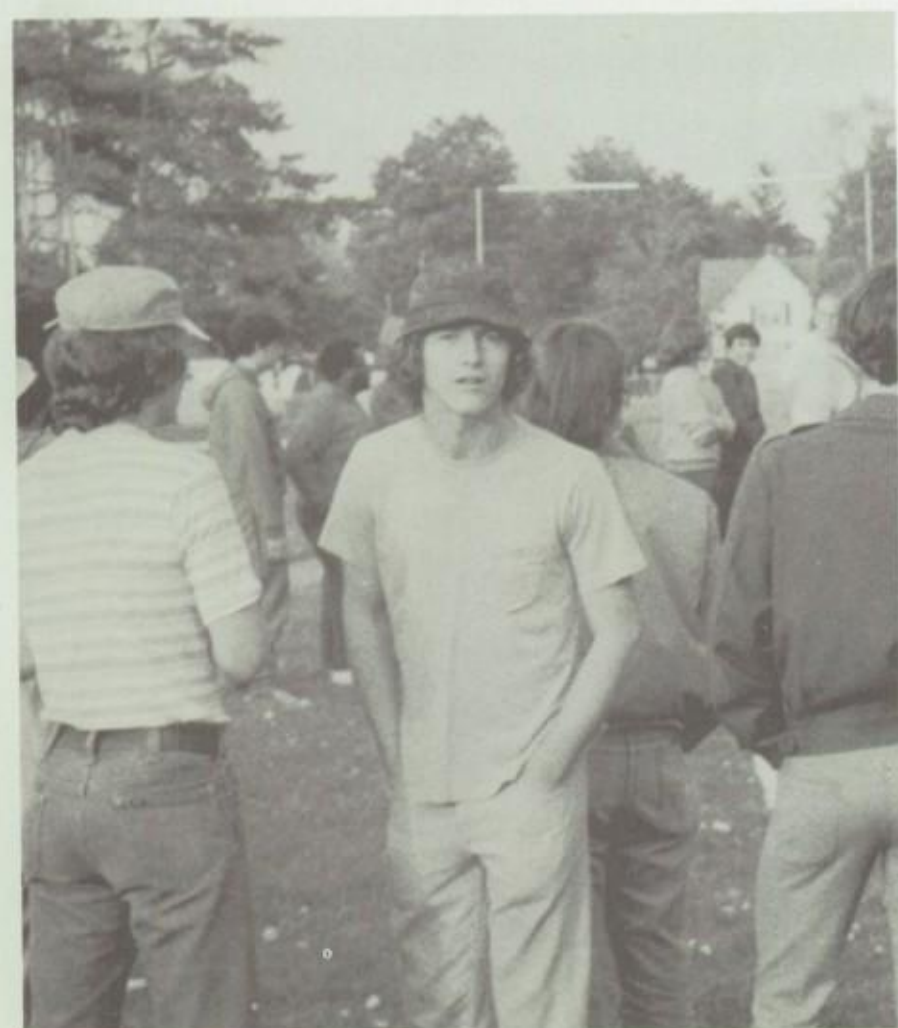

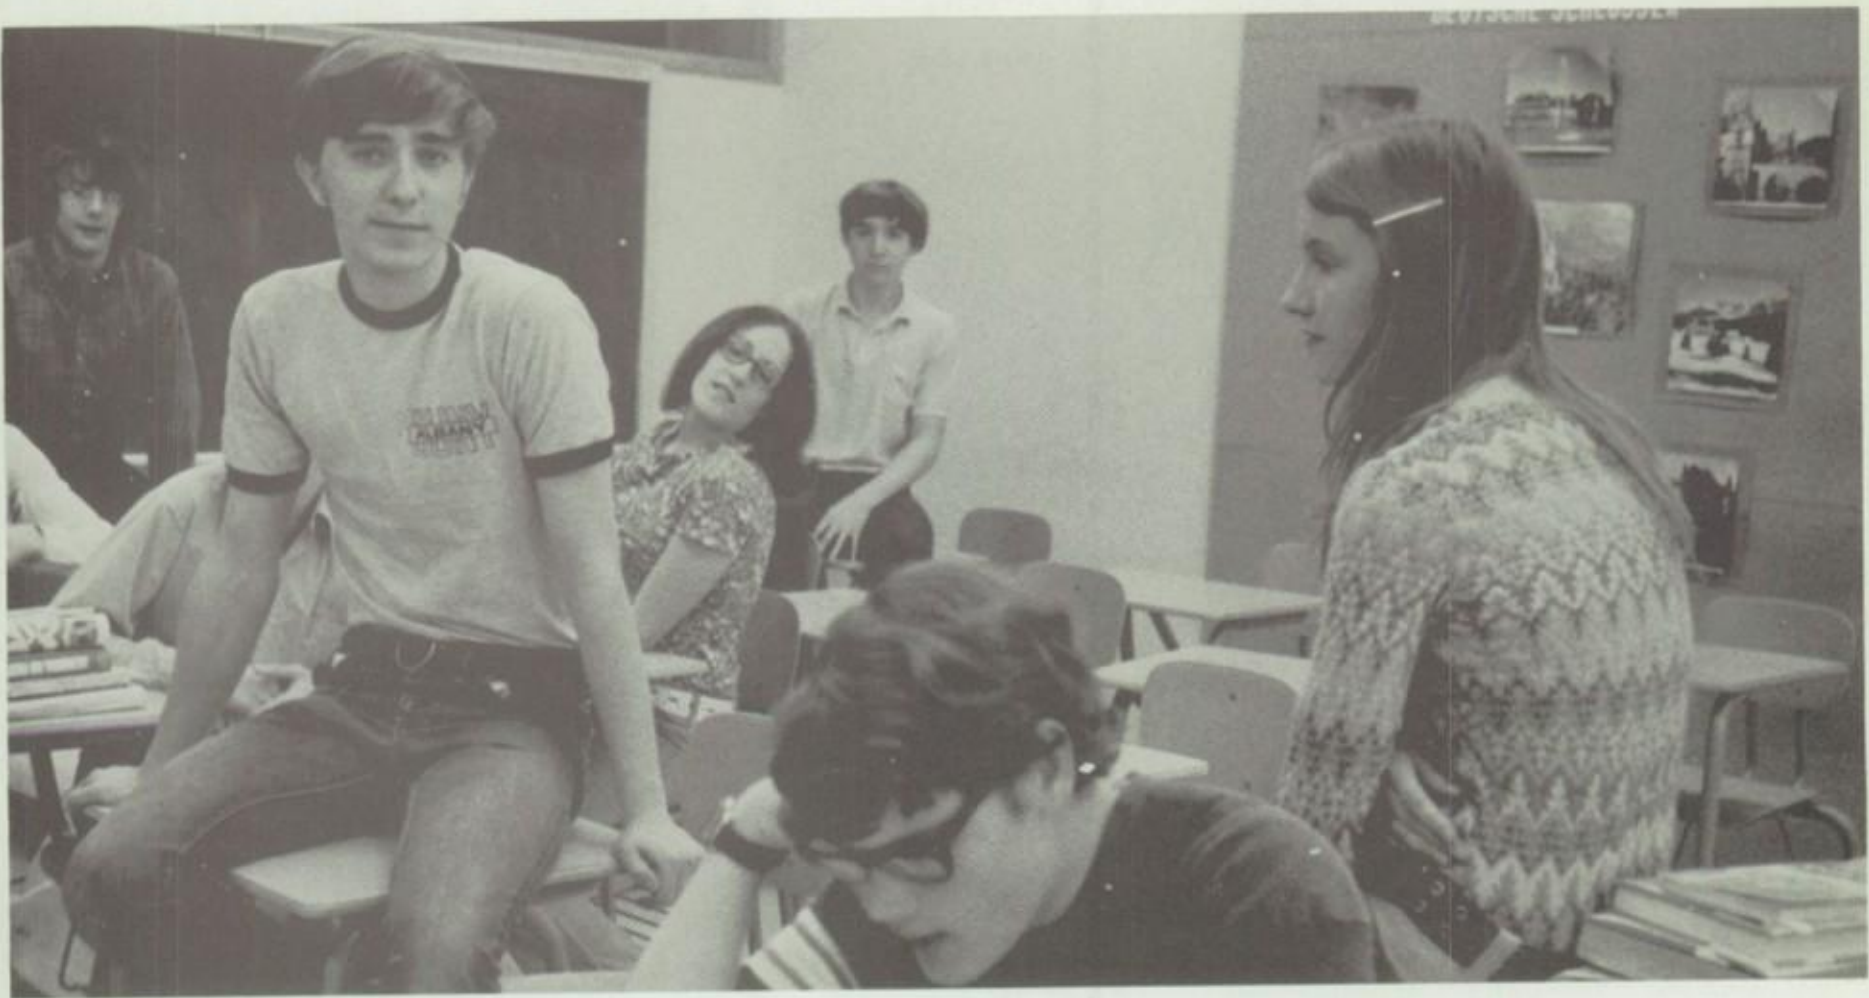

No boundaries

They echo

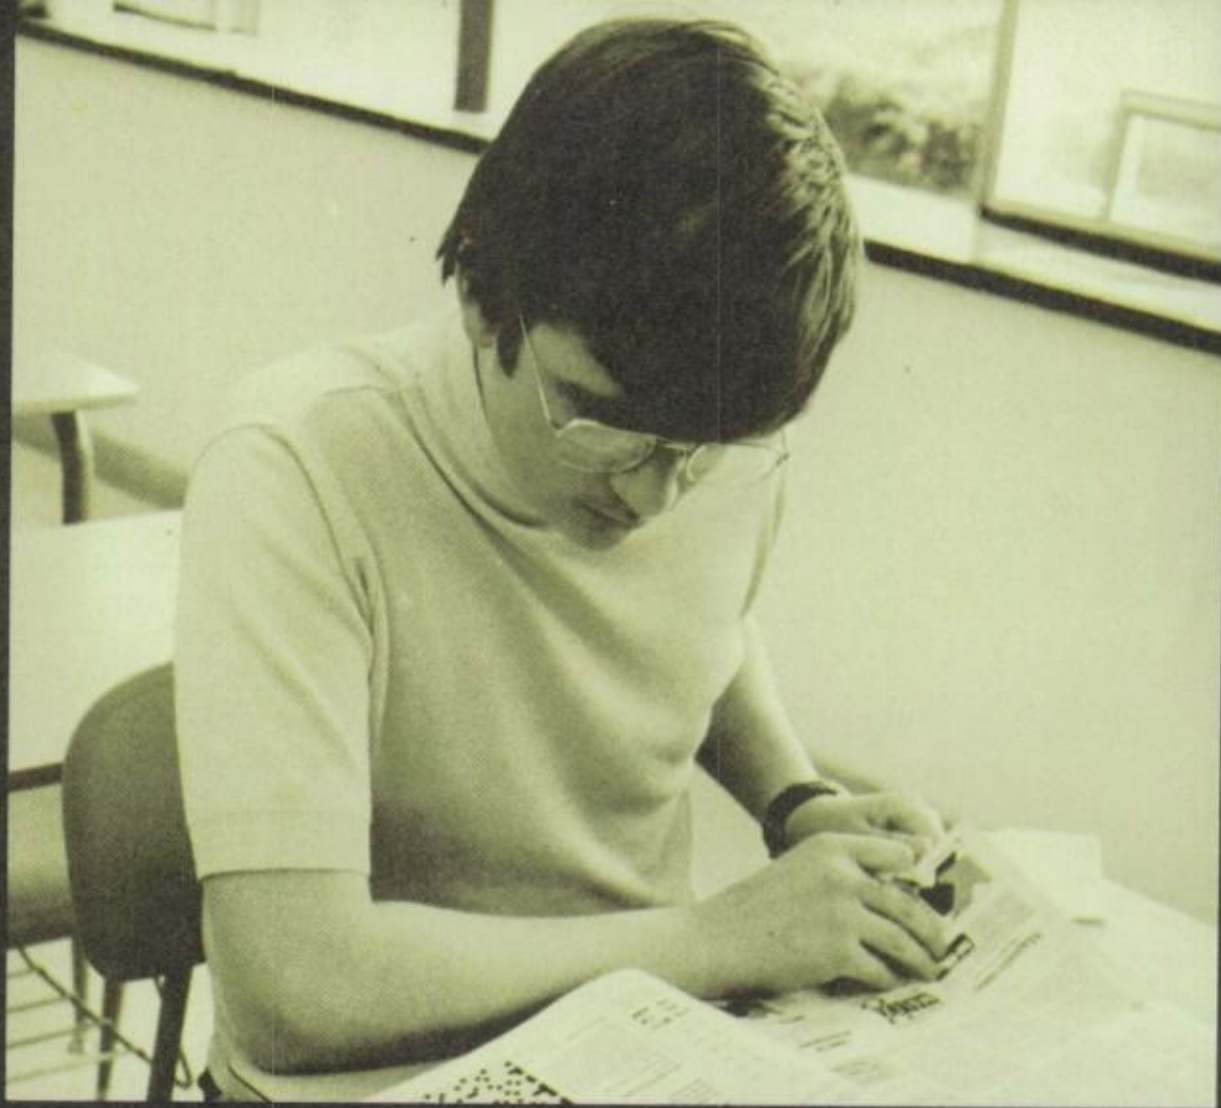

And they swell . . .

A little help from my friends  
What would you think if I sang  
out of tune,  
Would you stand up and walk out on  
me.  
Lend me your ears and I'll sing  
you a song,  
And I'll try not to sing out of key  
I get by with a little help from  
my friends.

*1973  
Junior-Senior  
Ball*

The 1973 junior-senior prom was a successful and memorable event. The prom was held at F.M.C.C. in a Greek setting. Twelve couples were chosen to represent the gods and goddesses in keeping with the theme.

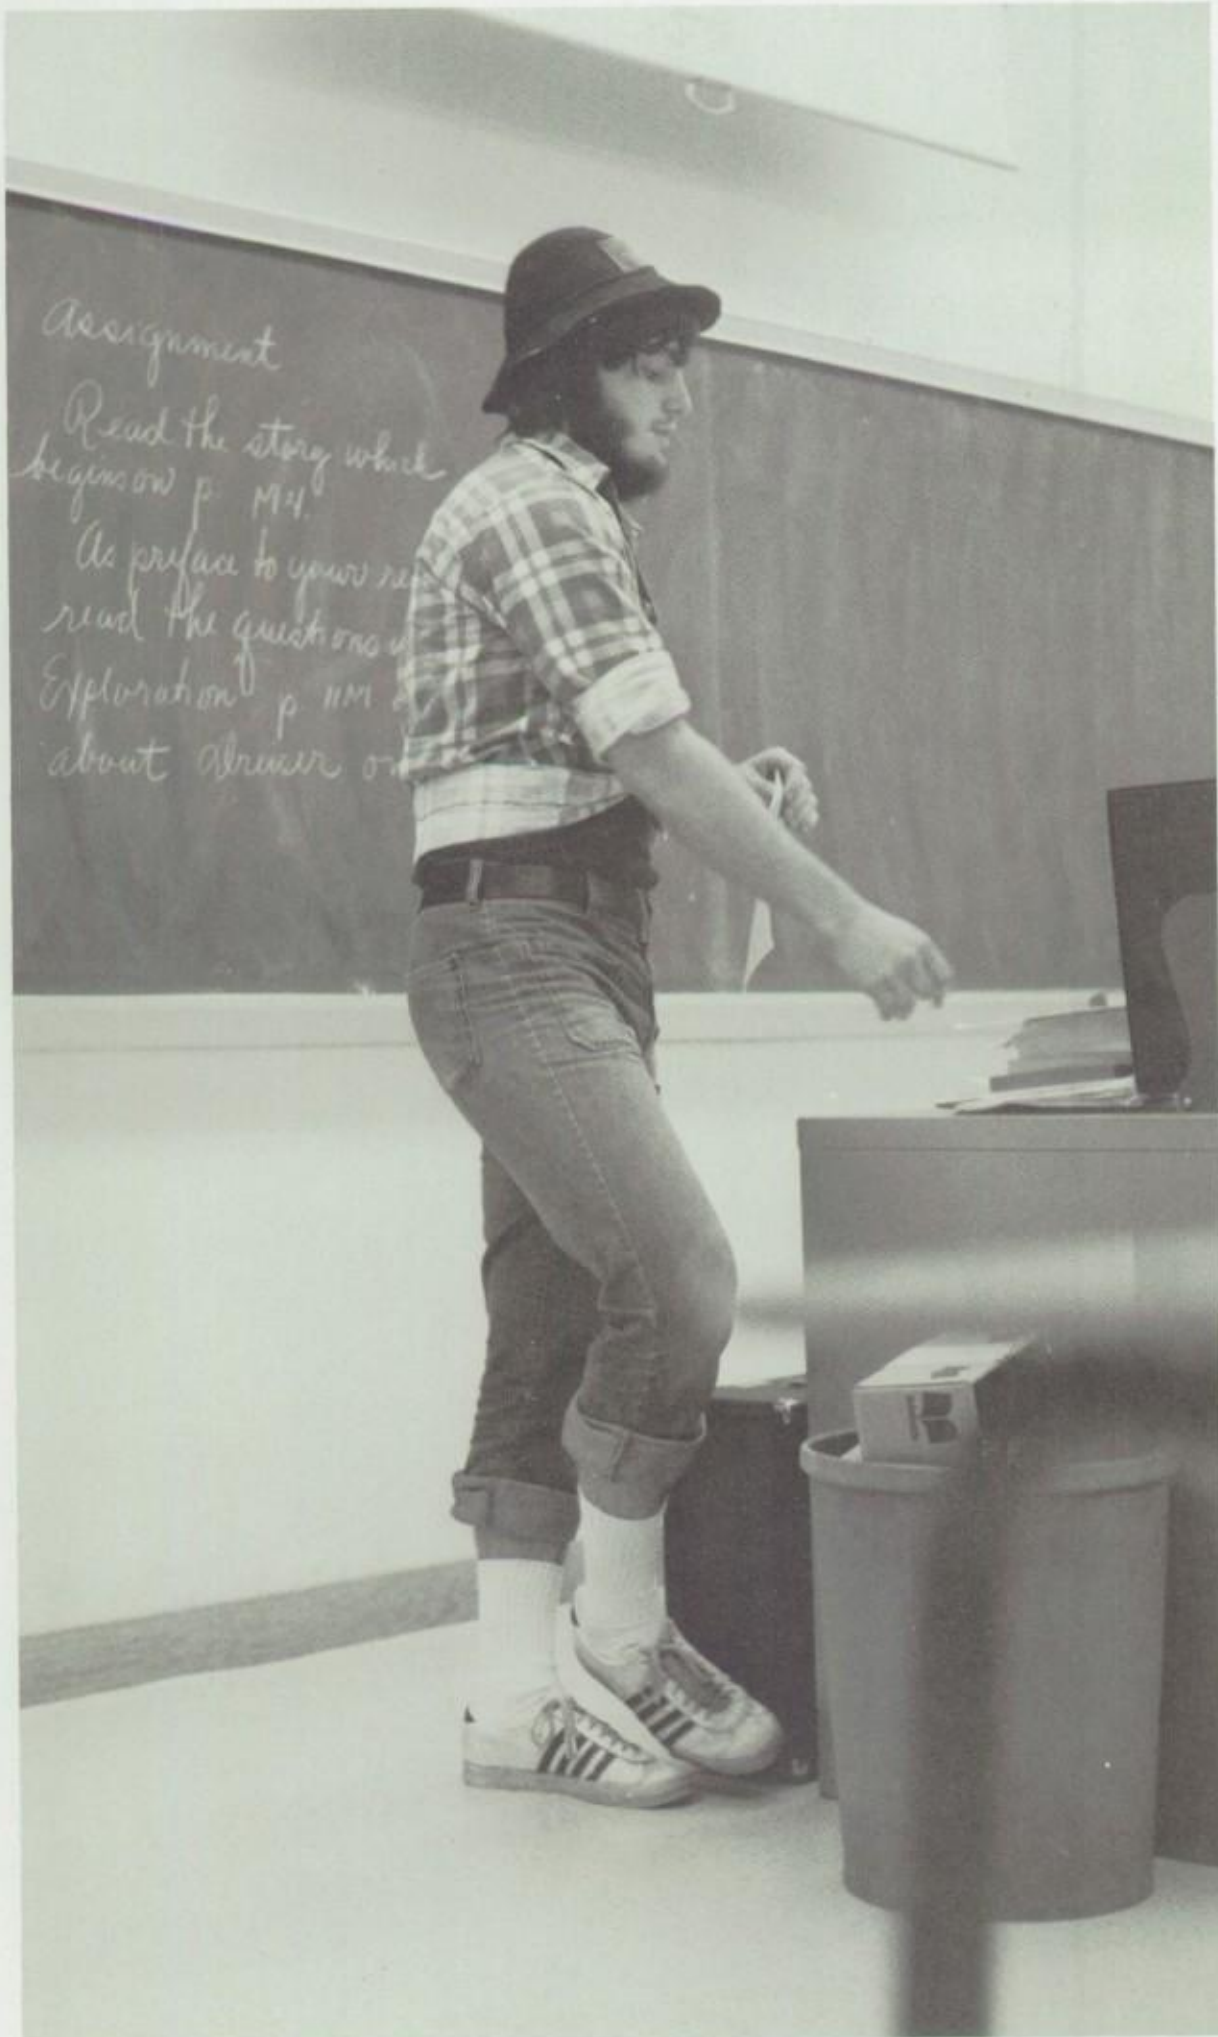

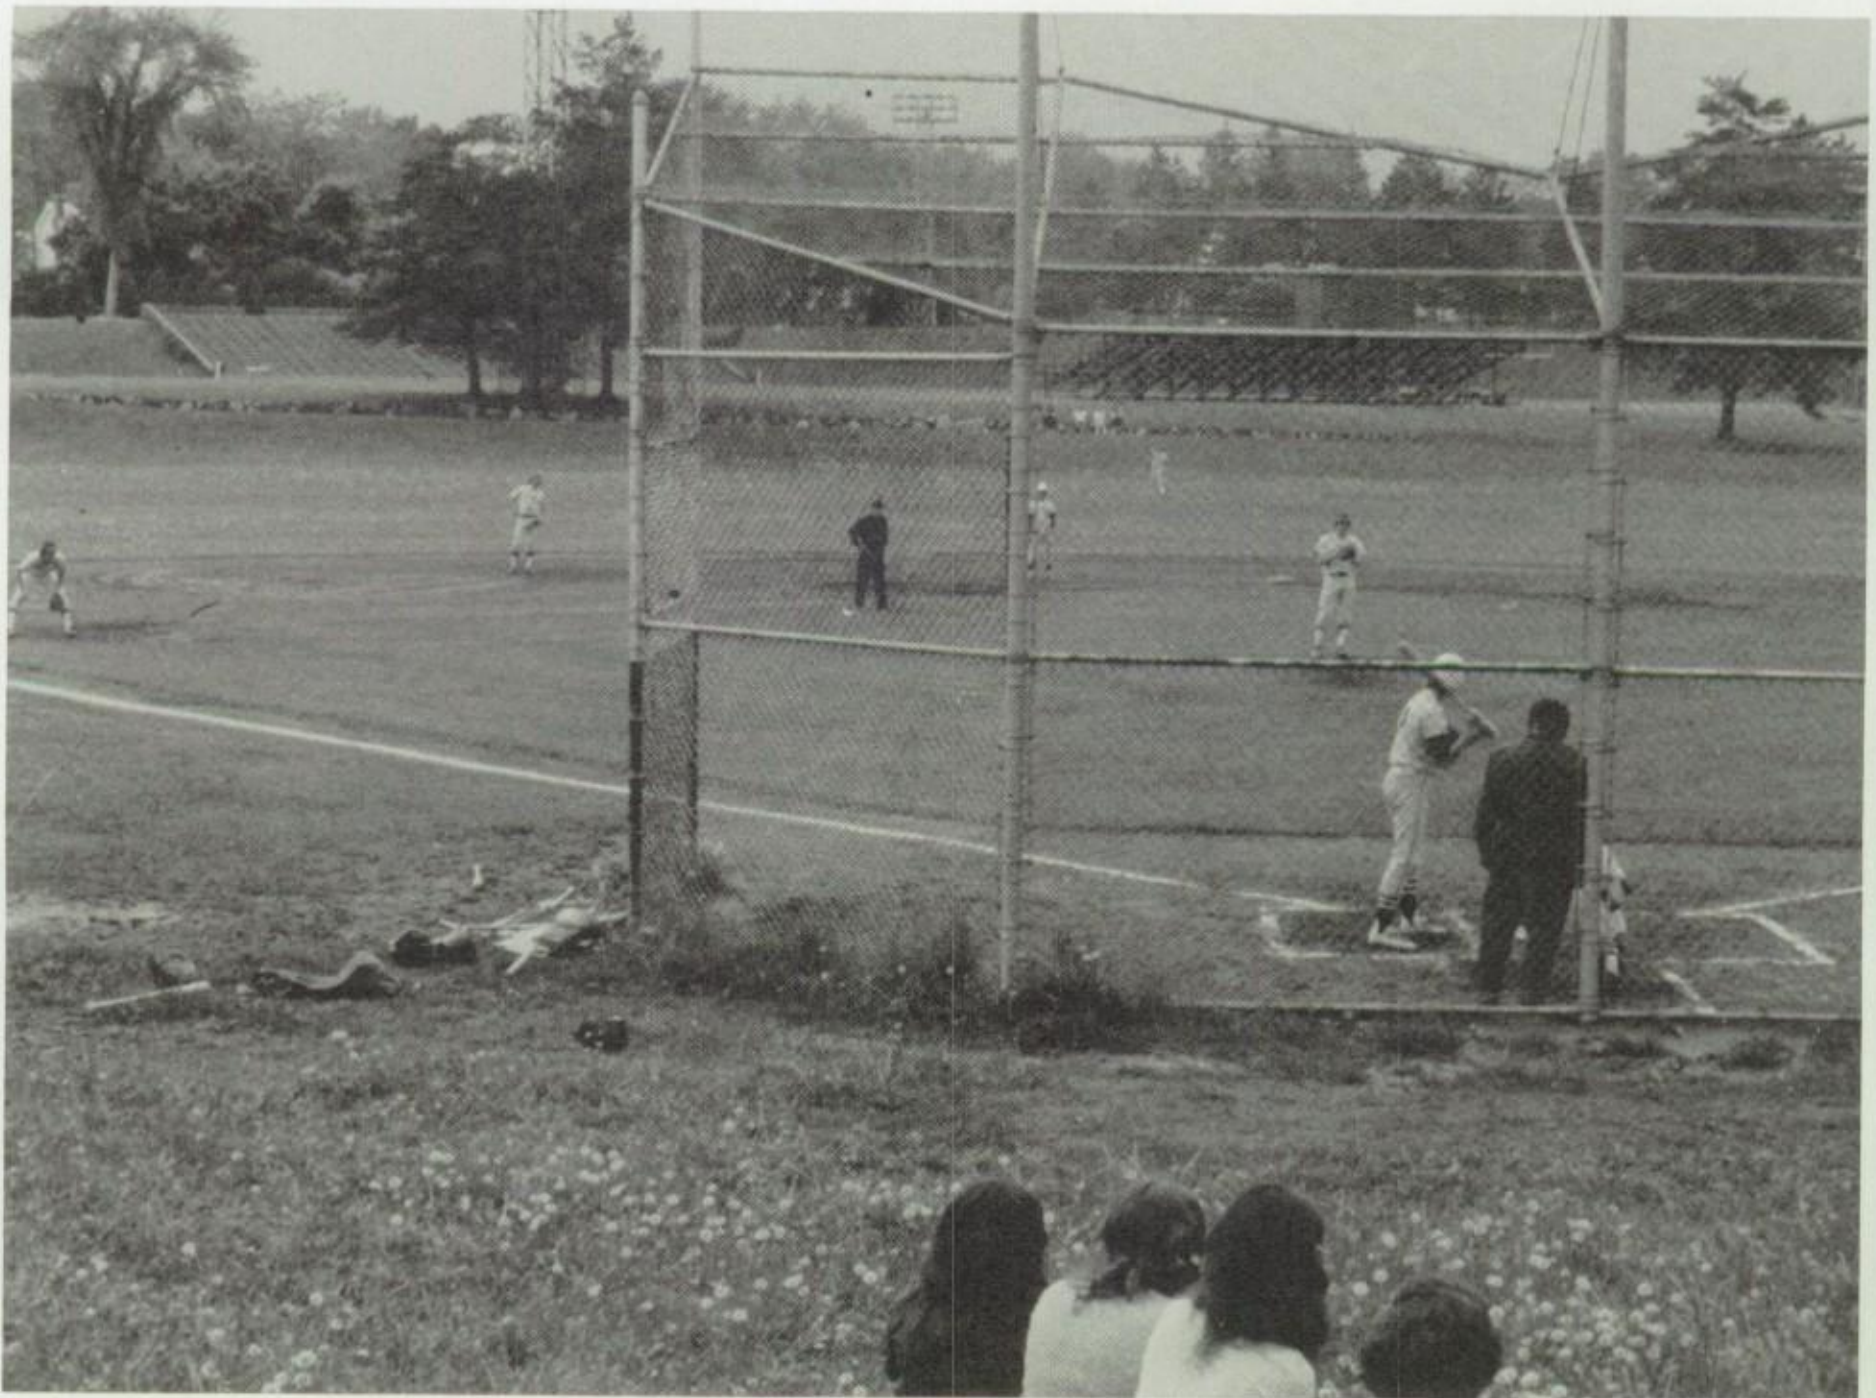

I've been trying hard to find a way  
to let you know  
That we can make it shine most all the  
time  
This time 'round I'm searching down where  
I used to go  
And it's been on my mind to make it  
shine

*James Taylor*

# Baseball 1973

The baseball team had an even season. It was an improving team. They were hampered by bad weather. Outstanding players were Don Ecker, Jim Mraz, and Wally Braemer who was the leading hitter.

Got to pay your dues, if you wanna sing the blues,  
But you know it don't come easy.  
You don't have to shout over people loud,  
You can even play them easy.

*Ringo Starr*

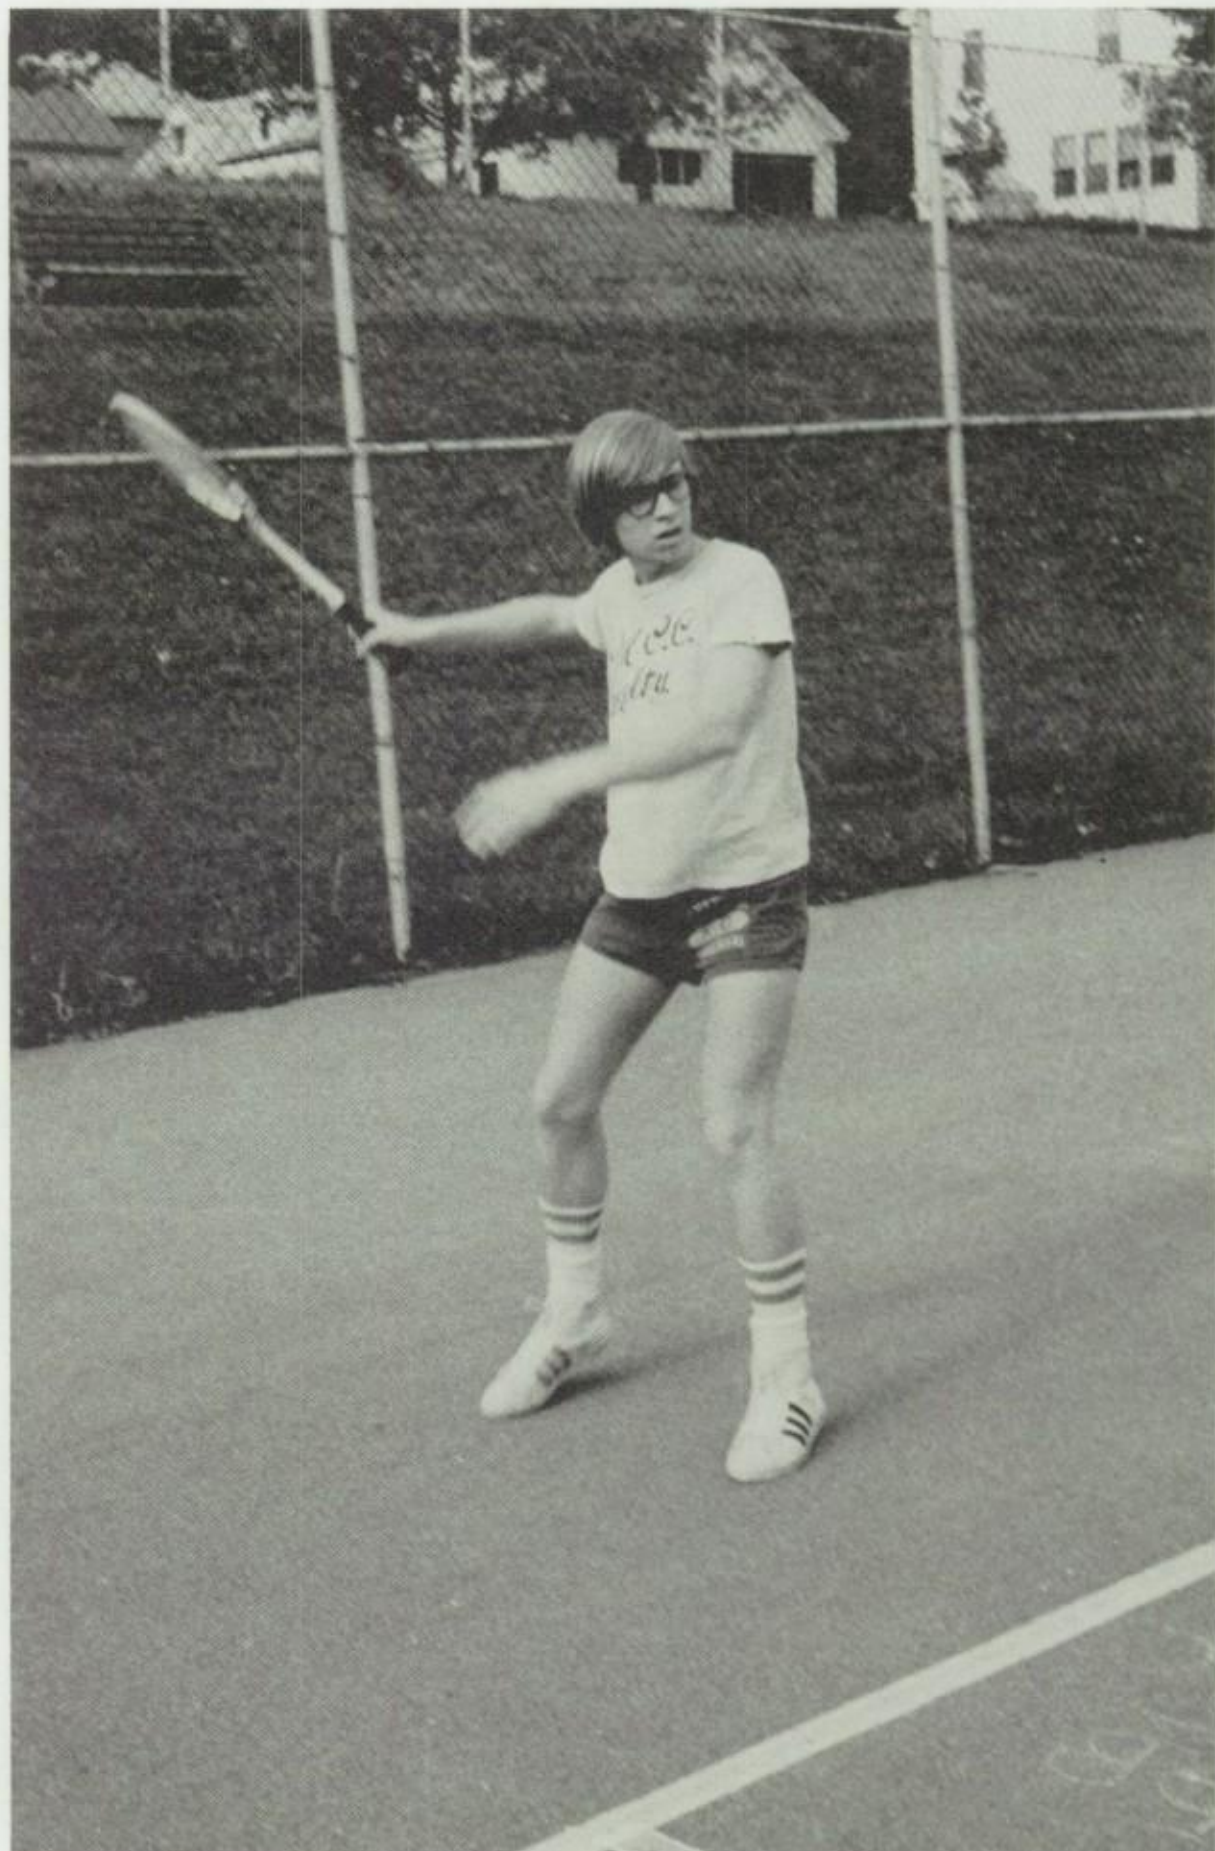

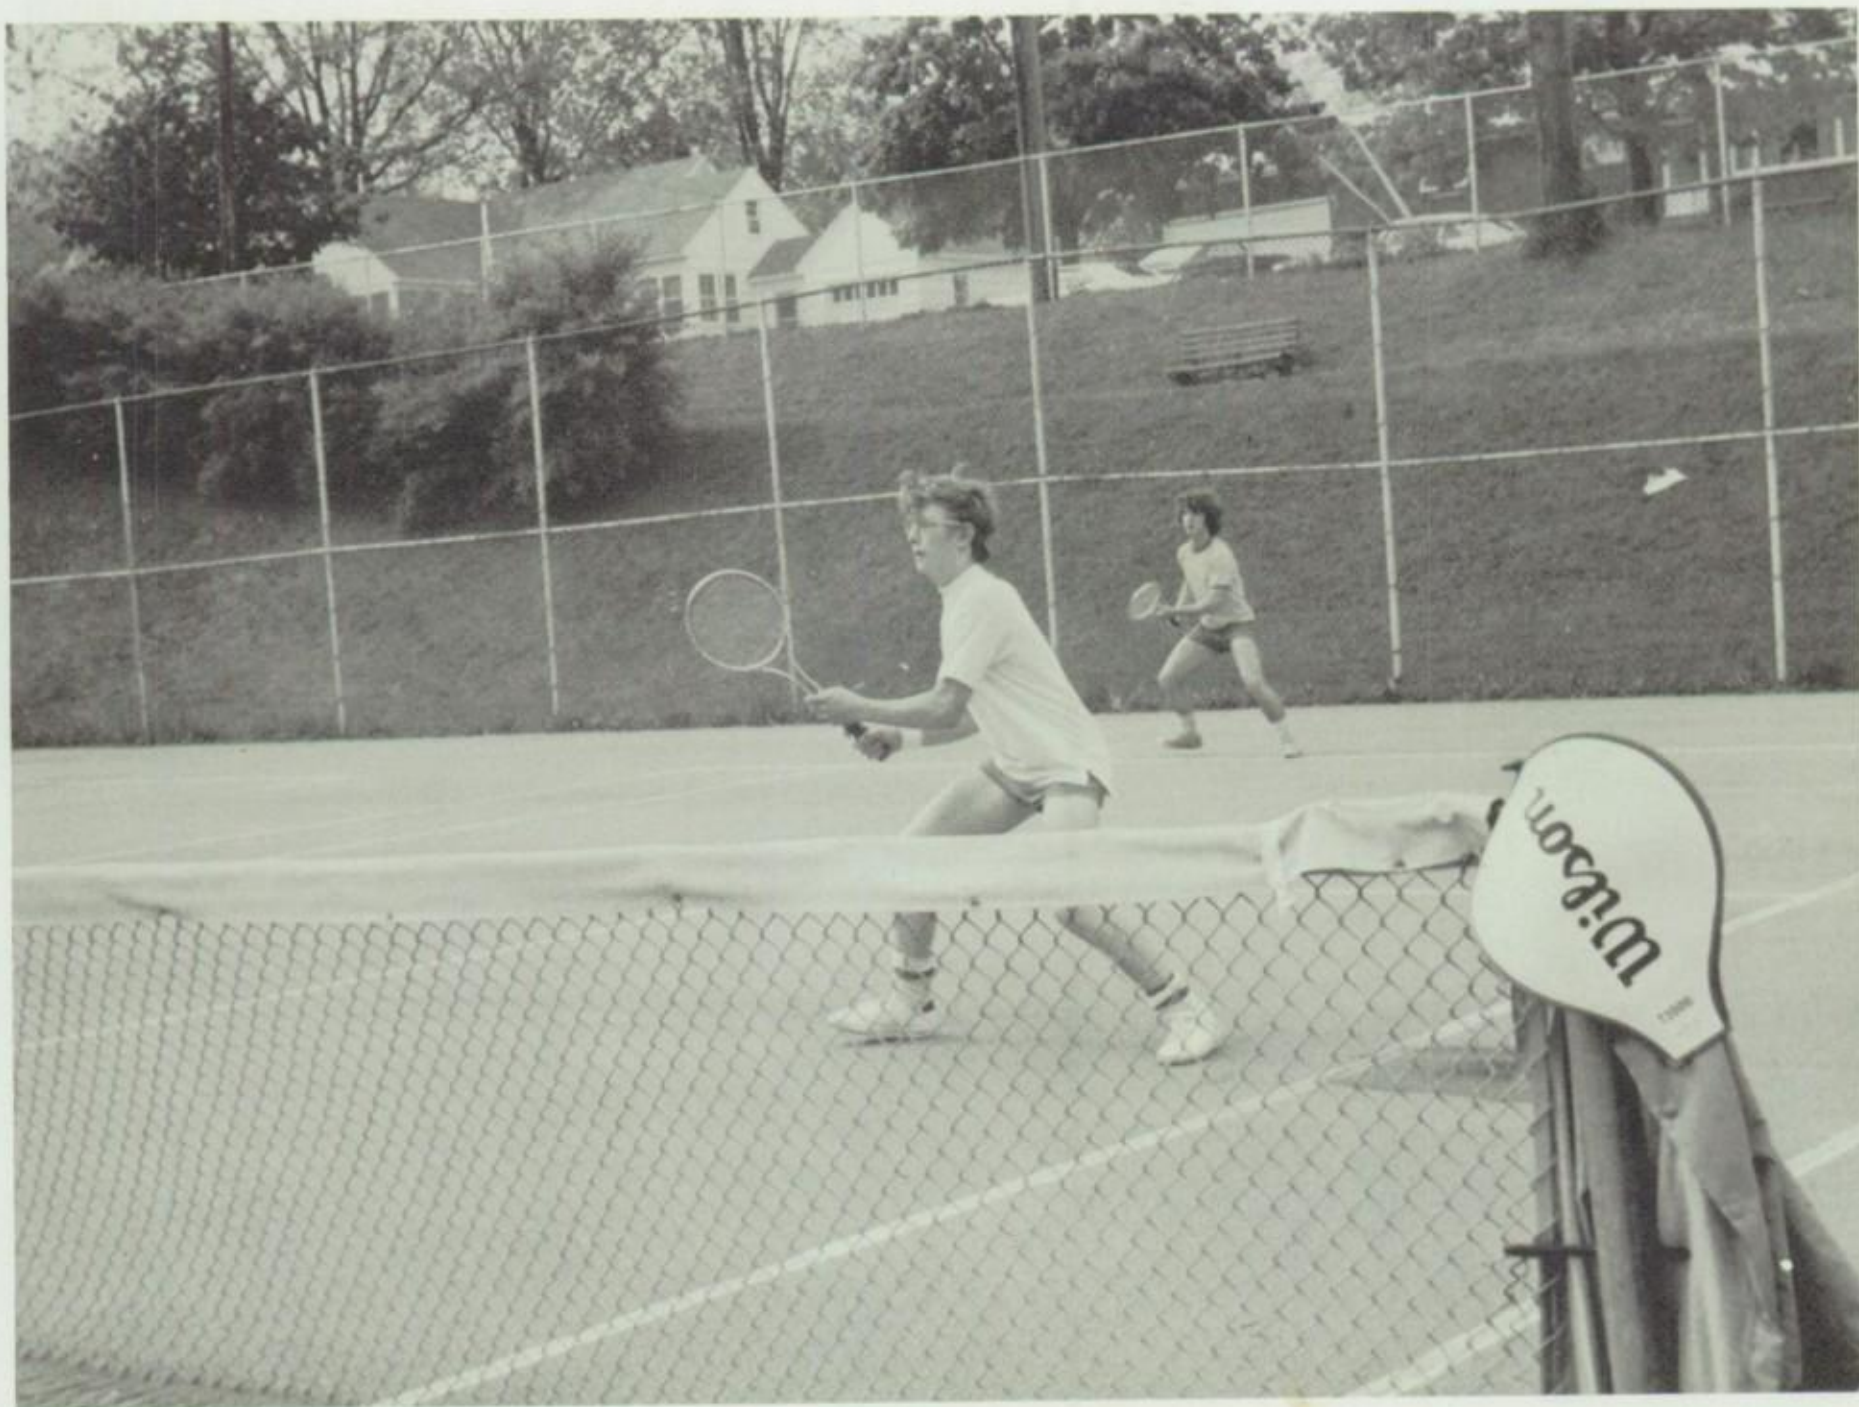

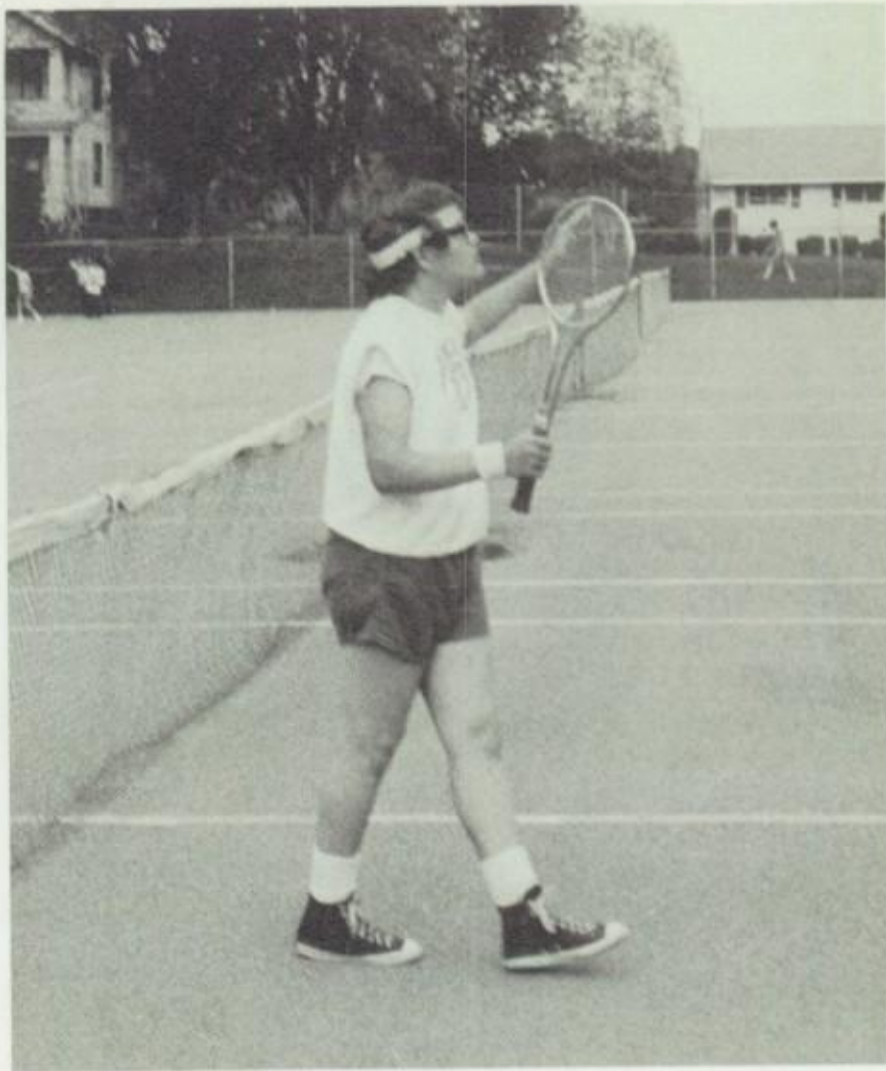

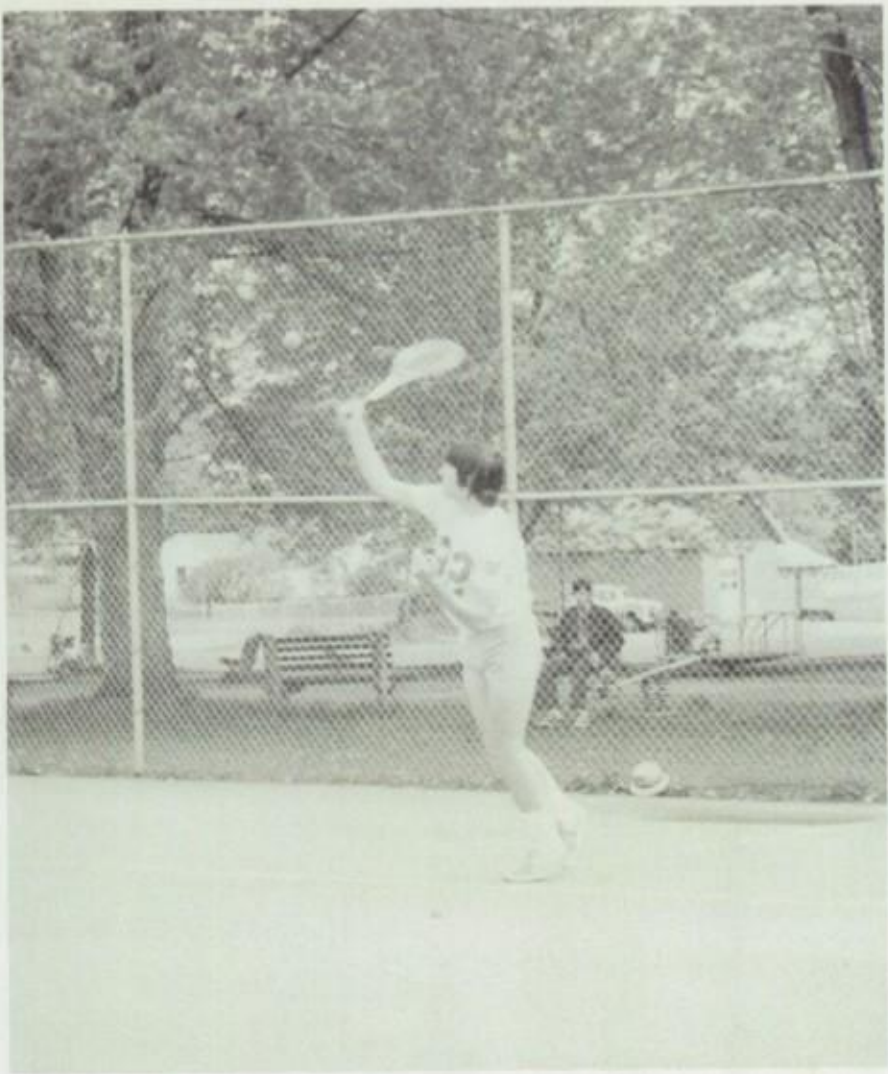

# *Tennis*

## *1973*

The tennis team had a winning season, coming in second in the conference. Several players captured honors in tournaments. Some outstanding single players were Rich Van Nostrand, John Caraco and Paul Wadsworth. Pete Brase and Dave Willey also did well in doubles. Katucha Ramos Mansur is a native of Bahia, Brazil. She is seventeen and a high school student. During her stay in Johnstown she lived with Lorraine Carleo. The things she found most different about Johnstown were snow and basketball. She stayed six months.

Veronica Giner is a nineteen year old native of Mexico City, Mexico. She stayed at the home of Terry Vosburgh. She also found snow and winter sports different. Her stay lasted three months.

Antonieta Trejo is also a native of Mexico City, Mexico. She is also nineteen and stayed three months. Snow and winter sports along with other American customs impressed her as with the other girls. Her host was April Levin.

# *YEAR- ROUND ACTIVITIES*

# *In Dedication: Robert Russell*

We dedicate this edition of the *Baronet* to Mr. Robert Russell for his long and distinguished service to the students of JHS. He has always been willing to help wherever he can. He has worked many hours on building sets for the plays and musicals and has also become involved with several clubs and classes. For these reasons and others we would like to express our thanks and appreciation to him.

"You are what you do,  
You are what you do  
Everybody, everybody,  
You are what you do."

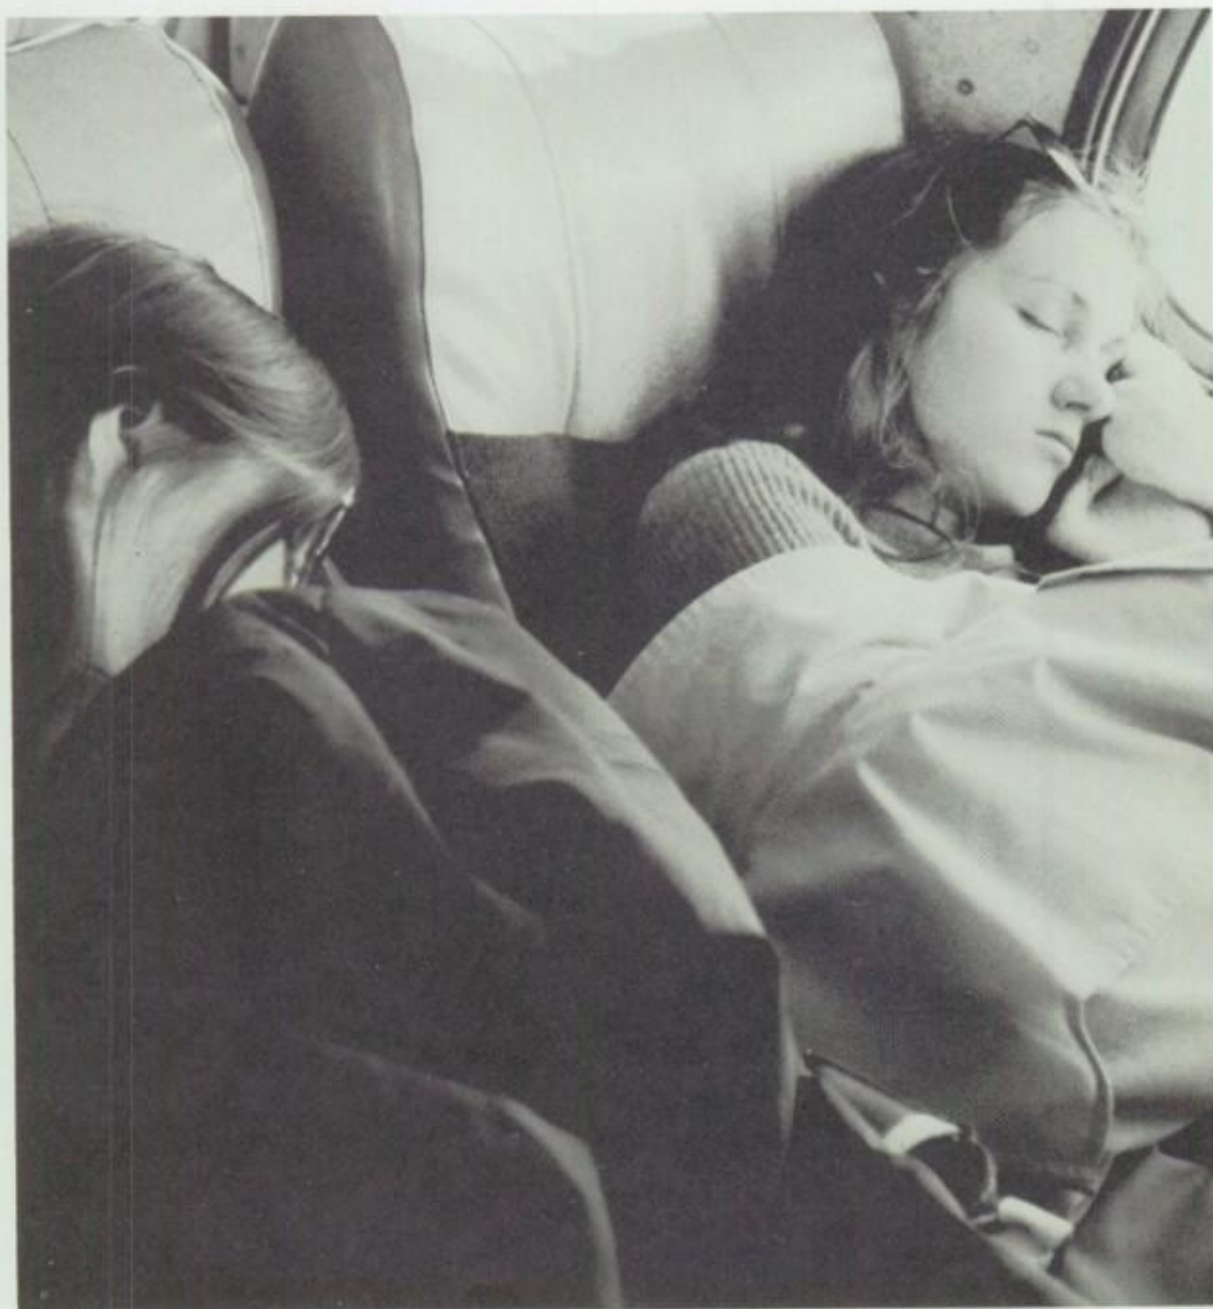

— *Lee Michaels*

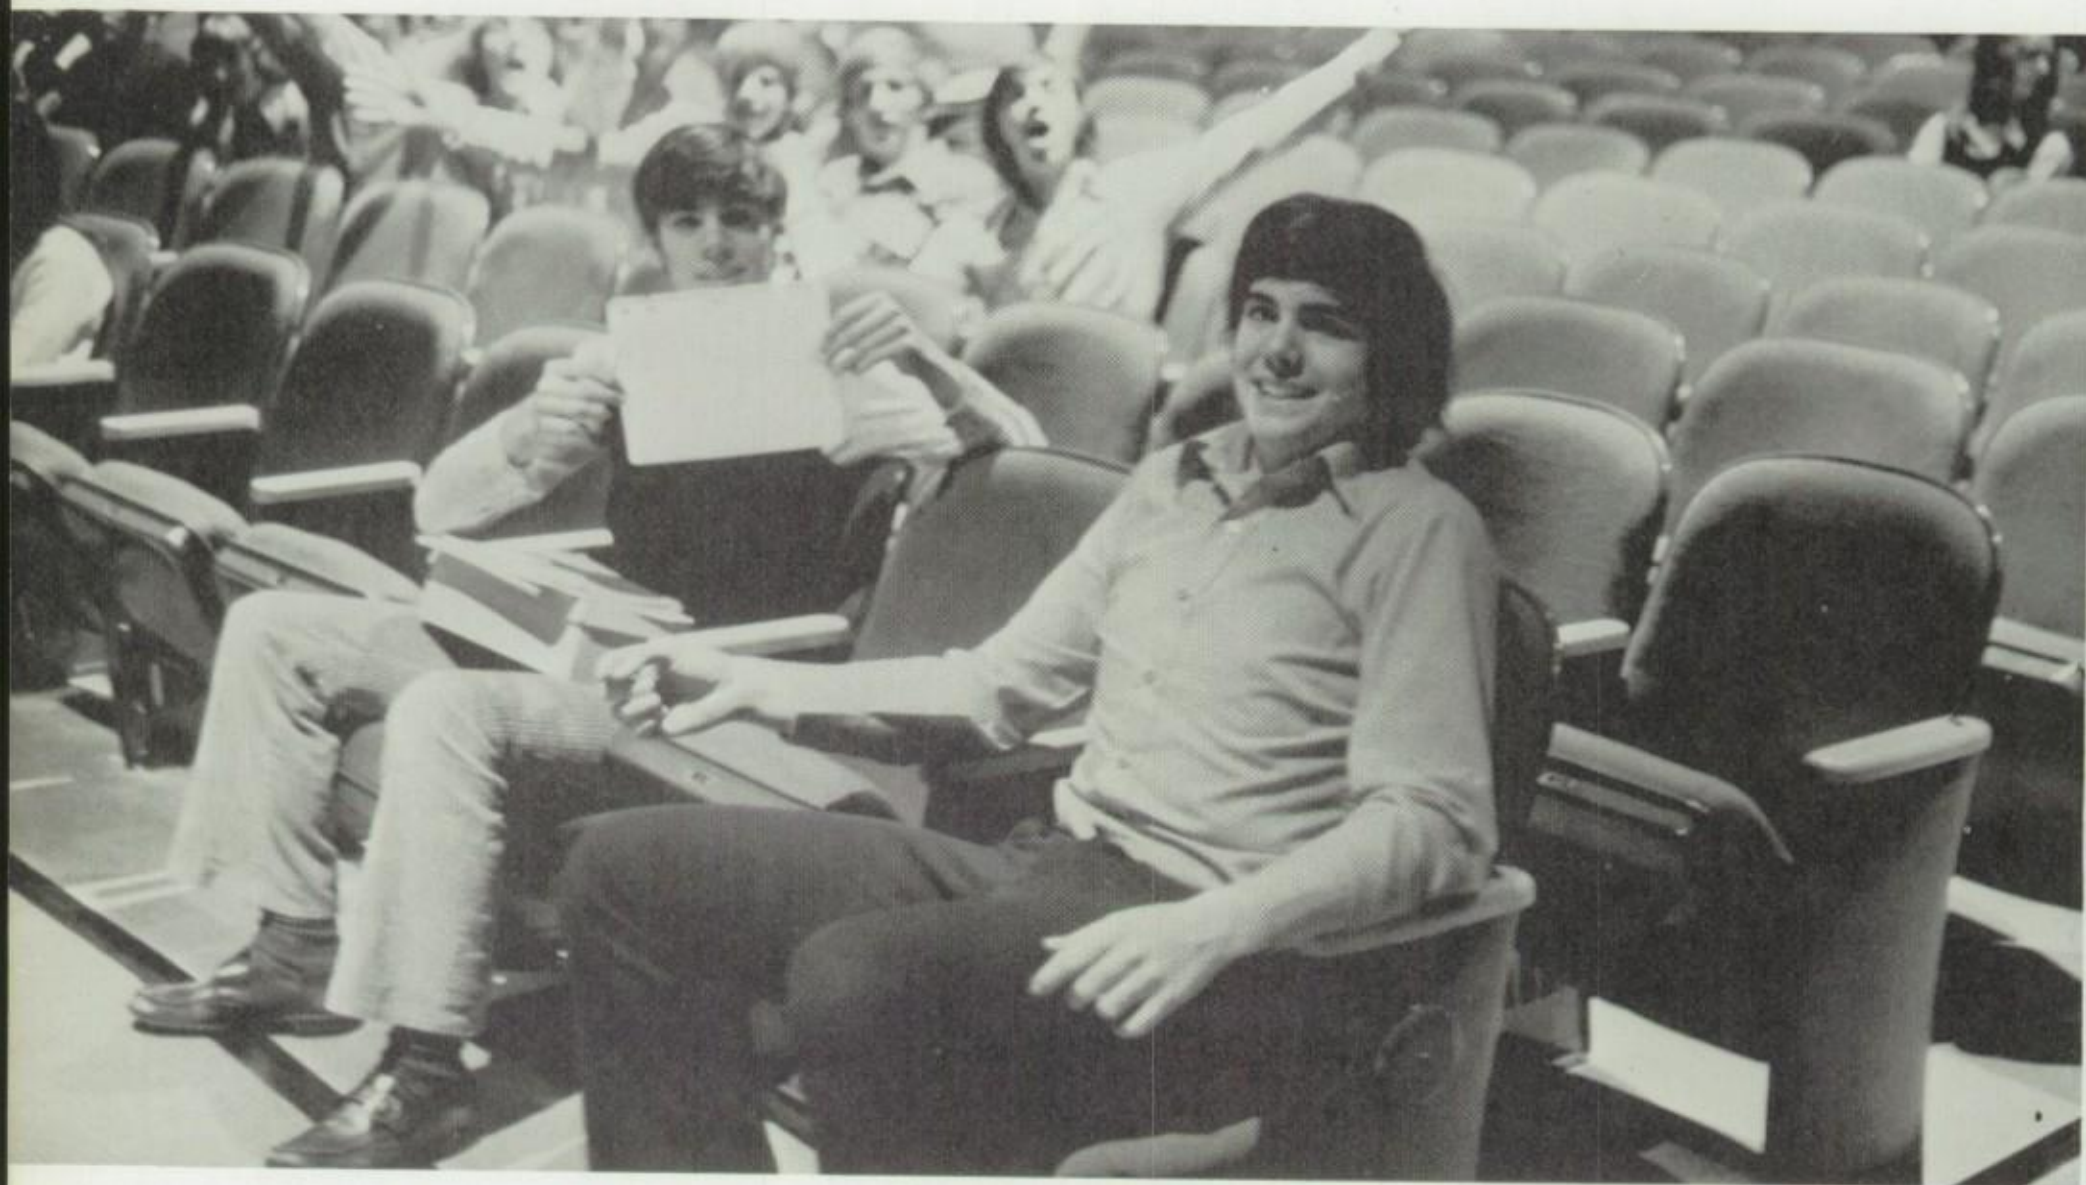

On April 14, 1973 to April 22, twenty-five students and three teachers visited Germany and Austria. Among the places visited were Frankfurt, Rothenburg, Munich, Linderhof, Augsburg and Salzburg. Highlights were visits to the castles of Ludwig, the flight, visiting the Black Forest, those bus rides, and the peasants.

Compliments of

# BANKER'S TRUST OF ALBANY

Main Street Johnstown  
and  
Pyramid Mall

For though my life's been good to me,  
there is still so much to do.  
So many things my mind has never known.

*John Denver*

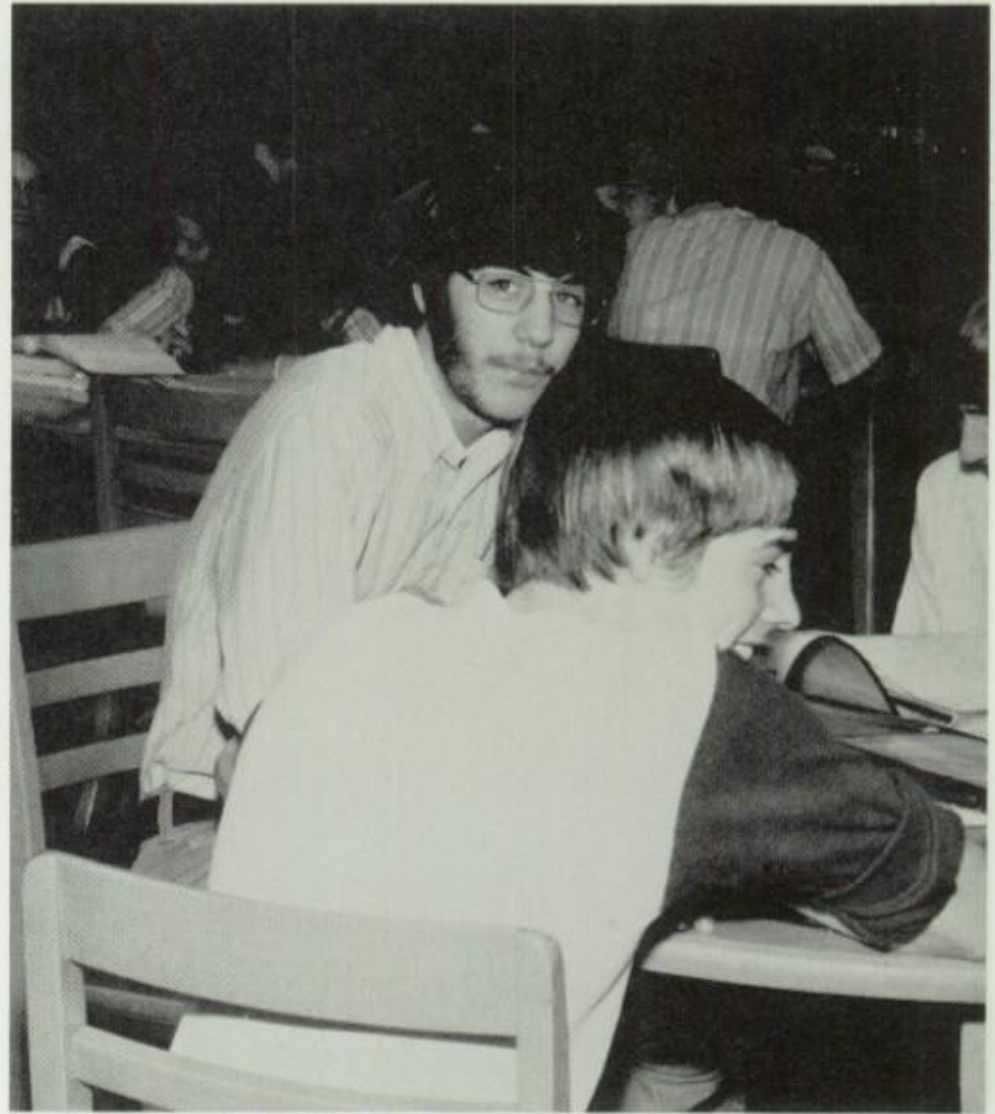

Yesterday has past,  
Now let's start the living  
for the one that's going to last.

*Cat Stevens*

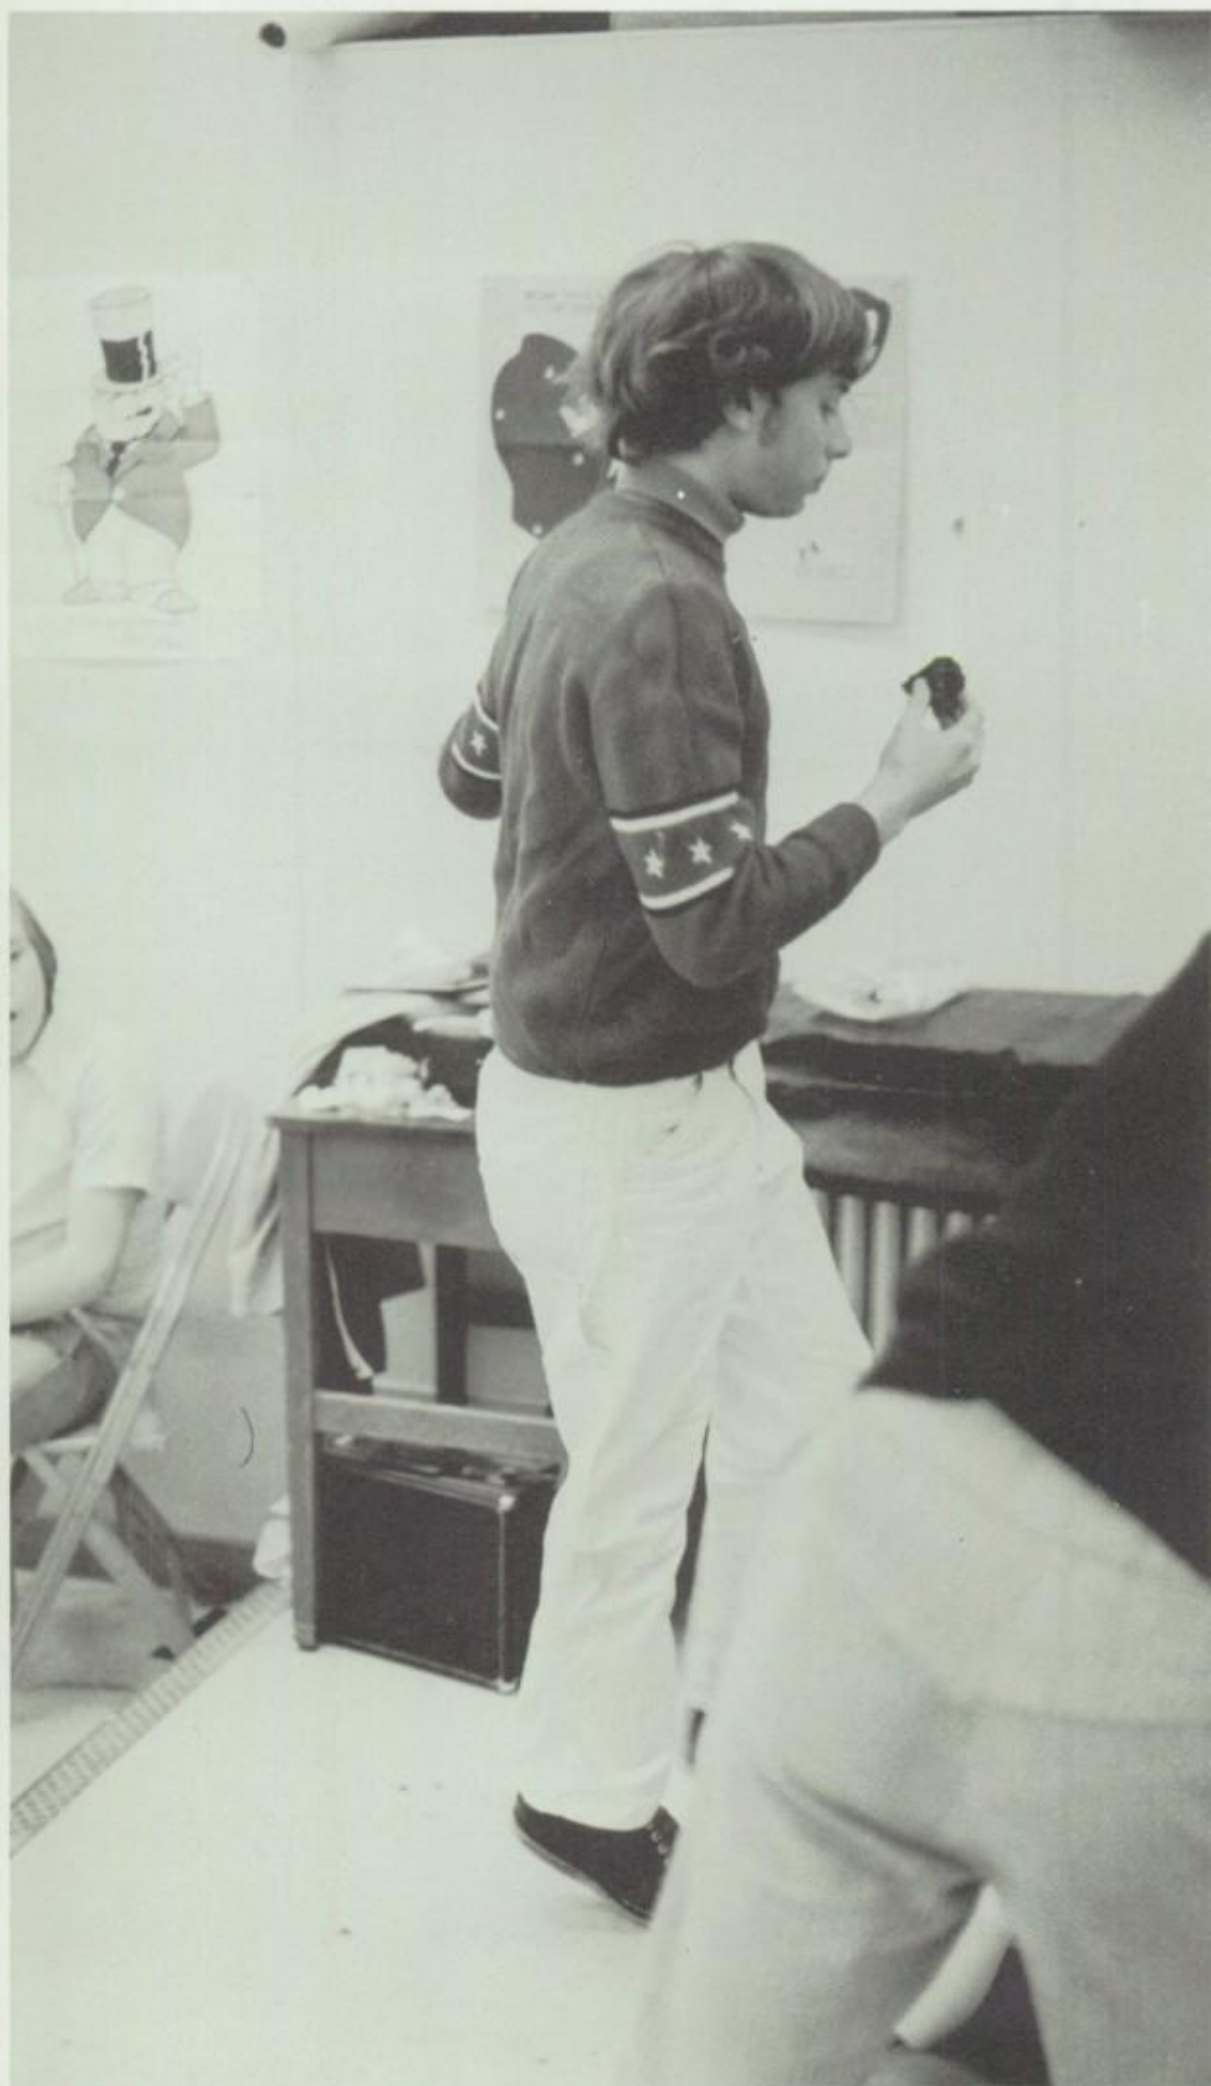

There we were all in one place  
a generation lost in space,  
with no time left to start again.

*Don McLean*

Nothing had changed,  
it's still the same  
I've got nothing to say,  
but it's O.K.  
Good morning, good morning . . .

*Lennon/McCartney*

Sweet, Donald: Cross Country Track

Yet I cannot tarry longer.  
The sea that calls all things unto her calls  
me, and I must embark.  
For to stay, though the hours burn in  
the night, is to freeze and crystallize and be  
bound in a mould.  
Fain would I take with me all that is  
here. But how shall I?  
A voice cannot carry the tongue and the  
lips that gave it wings. Alone must it seek  
the ether.  
And alone and without his nest shall the  
eagle fly across the sun.
